THESERA

PERFECT DOUBLE PEARL PACK CLEANSER

All-in-one cleanser, the first step to healthy skin

Mild & Even More Perfect

Cleansing is the first step toward healthy skin, which determines the skin condition for a day.
No matter how good cosmetics you use, skin cannot be improved without proper cleansing.
It can cause skin troubles and worsen the skin condition if you do not use a good cleanser. Also, when you remove skin wastes, moisture, which is necessary for skin, can be washed away together.
Therefore, you need to consider both cleansing and moisturizing effect without skin irritation. THESERA Perfect Double Pearl Pack Cleanser perfectly cleanses makeup, dirt, and impurities with microbubbles at once.
Amino acid from pearl and minerals moisturizes skin all day.
